

MANUAL MOBILE STAINLESS STEEL LIFTING TABLE HAPPYLIFTINGMOB100

Lifting table capacity 100 kg

The HAPPYSCISSORMOB100 stainless steel mobile lifting table serves as the perfect companion for adjusting the working height to meet your requirements while minimizing physical exertion. Its foot pump pedal activates a hydraulic system that enables effortless lifting of the load. The discharge handle guarantees a controlled and safe descent. Its hygienic stainless steel construction is particularly suited for food environments.

AISI 304 stainless steel fabrication

Sanitary (readily cleaned with ample water)

Capacity 100 kg

Available options (reel holder, detachable edges, etc.)

Four swivel wheels, two of which are equipped with brakes

Rubber tyred wheels to mitigate vibrations
