

MANUAL MOBILE STAINLESS STEEL LIFTING TABLE HAPPYLIFTINGMOB200

Lifting table capacity 200 kg

The HAPPYLIFTINGMOB200 stainless steel mobile lifting table is engineered for rigorous environments, such as the food industry, and facilitates easy adjustment of the working height. Its pedal-operated hydraulic system enables effortless lifting, while the discharge handle ensures smooth and safe lowering. Sturdy, mobile, and constructed entirely of stainless steel, it minimizes strain while adhering to the highest hygiene standards.

AISI 304 stainless steel fabrication

Hygienic (easily cleaned with plenty of water)

Capacity 200 kg

Available options (reel holder, detachable edges, etc.)

Streamlined mechanical lifting height
