

STAINLESS STEEL MANUAL HEIGHT ADJUSTABLE MOBILE TABLE HAPPYWORKTABLE

With or without a low shelf

The HAPPYWORKTABLE mobile, height-adjustable table with rear upstand represents a durable and hygienic option, particularly suited for rigorous settings such as the food industry or laboratories. Its height can be manually adjusted, accommodating each user for enhanced comfort and improved ergonomics. The 100% stainless steel construction guarantees outstanding resistance to moisture and chemicals, ensuring longevity and adherence to hygiene standards. Fitted with casters, it provides optimal mobility for versatile and efficient utilization.

**Using the variable height
table enhances the user's
posture**
