

STAINLESS STEEL MANUAL HEIGHT ADJUSTABLE CENTRAL TABLE HAPPYWORKTABLE

With or without bottom shelf

The HAPPYWORKTABLE height adjustable stainless steel table is durable, hygienic, and ideally designed for rigorous settings such as the food industry or laboratories. Manually height-adjustable, it accommodates each user for enhanced comfort and improved ergonomics. Its entirely stainless steel construction provides outstanding resistance to moisture and chemicals, ensuring longevity and adherence to hygiene standards.

**Using the variable height
table enhances the user's
posture**
