

1.3T STAINLESS STEEL ELECTRIC PALLET TRUCK HAPPYPALGO

Electric motorised

The HAPPYPALGO 1.3T stainless steel motorised electric pallet truck enhances pallet handling, ensuring safety and comfort for operators. Its motorized wheel reduces physical exertion when transporting heavy loads, while delivering seamless electric support. Engineered for humid and cold environments, it endures the demands of the food industry. Sturdy, hygienic, and agile, this pallet truck streamlines daily logistics by integrating ergonomics, performance, and durability.

AISI 304 stainless steel fabrication

Operating temperature
-20°C to +60°C

Superior protection against water and dust.

Unrestricted autonomy facilitated by its detachable battery

Soft start

Two stabilizing wheels to prevent the load from toppling

Electric propulsion (motorized wheel)

Ergonomic grip with emergency stop feature

Protective cover on the anti-crush wheel

Speed: 4 km/h (adjustable)
