TP0101001	304 stainless steel hand pallet truck	2000 kg	85 mm	200 mm	520 mm	1130 mm	76 kg

Health and Safety.

The HAPPYPALMAN is meticulously engineered for use in the food, pharmaceutical, and other sensitive environments. Its 100% stainless steel construction provides exceptional resistance to corrosion, rigorous cleaning, and chemical exposure. Its primary advantage lies in its ability to ensure impeccable hygiene while facilitating smooth and safe handling.
